Dear Good Times Traveler,

With this letter you will find an enrollment form and a description of coverage for a Travel Protection Plan that we highly recommend you purchase to protect your travel investment.

Whether you're planning your annual getaway or the vacation of a lifetime, you don't want to have to think about what will happen should you have to cancel or interrupt your trip. Or get sick. Or lose your luggage. Because things can happen, we provide our travelers an optional Travel Protection Plan. The plan will reimburse you for the funds we are not able to recover from our suppliers assuming you are canceling for a reason covered by the insurance carrier (see description for coverage details). **Enrollment and payment for this plan should be sent directly to our office payable to Good Times Travel.**

Important Information Regarding Pre-Existing Medical Conditions

If you or a traveling companion has a pre-existing medical condition (ie heart disease, diabetes, cancer, or any other medical condition or disease that you currently have that could cause you to cancel the tour later) you must purchase the travel protection plan **at the same time** that we receive your deposit. To insure you are covered for a pre-existing condition, return the travel protection plan enrollment form with the appropriate payment (based on the tour cost – see brochure) with your deposit (you may include the plan fee with your deposit on the same check). For more information on pre-existing conditions, see that section on the travel protection plan brochure. Please don't forget to sign and date the form.

If you do not have a pre-existing condition, or do not care to cover that condition as a reason for cancelling, you may purchase the insurance anytime up until the time you make your balance payment (knowing you are not covered for any loss up until the time it is purchased). You will receive an invoice from our office for your balance payment 60-90 days prior to the departure date.

We look forward to traveling with you. If you have any further questions, please contact us.

Let the good times roll....
