Local, Family-Owned & Operated

While we offer all the benefits and savings as our large competitors, we are a family-owned, local business catering primarily to travelers in Southern California. Because your traveling companions and tour directors are from your general area, you'll often travel with people you've met before on our tours and enjoy a greater sense of camaraderie. This especially makes for an ideal environment for single travelers who quickly make new friends.

Renowned Expertise

Each *Good Times Travel* tour evolves over more than a year of research by our tour designers to ensure your vacation surpasses all your expectations, and our professional and knowledgeable tour directors are dedicated to ensuring an educational, fun and safe journey. They will not only share the history or facts of an area, but are there to suggest restaurants and aid in any way necessary. The local guides that join your group are hired by us to ensure special "insider" experiences that only a local would be aware of.

Peace of Mind Travel

Before, during and after your journey, we will go above and beyond your expectations to ensure your vacation is spectacular. From making arrangements to extend your stay at your beginning or final city, forwarding on special requests to hotels and airlines, providing final documents and details with you prior to your tour, hotel check-in, luggage handling, or emergency assistance while traveling with us – everyone at *Good Times Travel* will work to ensure you are impressed beyond your expectations.

Health and Wellness Measures

First and foremost, know that we will continue to keep our guests' health, well-being and enjoyment our number one priority. We will continue to follow CDC, state and local guidelines and adjust our health and wellness measures based on these guidelines and recent trends. And because we know good times begin with peace of mind, we want you to know that for the time being our tours will operate with a number of additional health and wellness measures in place including but not limited to the following:

What We're Doing to Protect You

- Required full COVID-19 vaccination of all guests, tour director, driver and local guides boarding the motorcoach
- Recommended face masks onboard the motorcoach, trains, airplanes and other modes of transportation (except when eating or drinking)
- Increased air filtration (MERV 13 filters) and cleaning onboard the motorcoach
- Our travel partners such as hotels, restaurants, attractions and guide services will be following similar protocols and following guidelines provided by the CDC, state and county in which they do business
- Required signed Wellness Pledge from each guest prior to boarding the motorcoach (this document will be sent prior to departure and the tour director always has extras as well).

What You Can Do to Protect Yourself

- Carry hand sanitizer with you and use it often in addition to washing your hands whenever possible
- Be prepared to follow all established health and wellness measures for the duration of the tour and ensure all members of your traveling party are prepared to do the same
- Keep in mind that our established measures may change due to this ever-changing environment we now live in and your tour director will provide the most up-to-date information
- Purchase travel protection, either through NTA/AON or through any other travel protection company – a small investment not only protects your funds, but provides countless benefits and peace of mind since travel protection provides a full refund for specific reasons including illness

Visit goodtimestravel.com for more details about these important health and wellness measures.

Joshua Tree National Park **With Geographer-Guide** **& Included Picnic Lunch** **Sunday, November 13, 2022**

Join a geographer-guide on a journey to uncover the secrets of Joshua Tree National Park. This enchanted landscape north of Palm Springs and nestled in the Mojave Desert, is a truly fascinating region of bizarre rock formations, ancient twisting Joshua trees and granite monoliths (often being scaled by rock climbers). Viewed from the road, this desert park only hints at its vitality. Closer examination reveals a fascinating variety of plants and animals that make their home in this land shaped by strong winds, unpredictable torrents of rain and climatic extremes. A rich cultural history and surreal geologic formations add to the attraction of this place. With 700 species of plants, Joshua Tree is renowned for its plant diversity. No wonder that when the area was first proposed for preservation in the early 1930s, the name suggested was Desert Plants National Park. See the huge rock formations surrounded by a healthy population of Joshua Tree, pinyon, juniper and oak along with mesquite, yucca, nolina and various cacti in Hidden Valley. Admire the views at Key's View (elevation 5,152 feet) where on a clear day lies a sweeping panorama of the Coachella Valley including Palm Springs, the Salton Sea, the San Andreas Fault and two of Southern California's biggest summits: Mount San Jacinto and Mount Gorgonio. Your geographer-guide will point out the rugged canyons that testify to the tectonic and erosional forces that shaped this land and explain how this modern landscape was born more than 100 million years ago. We'll enjoy an included boxed lunch and stop at the National Park Visitor Center for an interpretive look at the area's rich biodiversity and cultural history. A truly unique and educational experience with lots of spectacular photo opportunities. No visit to the Coachella Valley is complete without a stop at Hadley Fruit Orchards. Founded in 1931, this southern California landmark has provided a friendly place to shop for premium quality Medjool dates, dried

fruit, nuts, hand mixed trail mixes, honey, preserves, freshly-ground peanut butter and a variety of gifts. You may want to head to the snack bar for a beloved date shake! *This tour involves moderate walking over uneven terrain.* Price: \$109 • Depart: LBG 7:00 a.m., FV 7:30 • Return: 6:00 p.m.

Friday, December 9, 2022

Nestled into the foothills of the San Gabriel Mountains and featuring tree-lined streets dotted with turn-of-the-century architecture, it doesn't get much more picturesque than Pasadena. On this new tour we'll be joined by professional local guide, Curt for a fascinating journey through this city focusing on its history and architecture,

along with its elegant and eclectic shops! We'll travel sections of Route 66, see City Hall and the luxurious estates along "Millionaire's Row." We'll visit Macy's, housed in the former Bullocks Pasadena building. Built in 1947 in the Late Moderne architectural style, it was known as "one of the world's most modern buildings" and declared by the American Institute of Architects to be "one of the most outstanding examples of architecture constructed over the last half-century." Promoted as the "store of tomorrow," it was designed as a "plush" department store with the atmosphere of an exclusive country club and features murals, fireplaces, tilework, many rare woods and other period details. We'll head to the 3rd floor and search for bargains at Macy's 'backstage,' a new shopping concept that caters to bargain hunters. Unlike outlets, Macy's 'backstage' isn't filled with clearance items but rather an ever-changing selection of women's clothing, men's clothing, gifts, beauty, home decor, gourmet food and other items made specifically for Macy's backstage as well as closeouts and overruns. We'll also visit Vroman's Bookstore, "Southern California's oldest and largest independent bookstore." Founded in 1894, this gem has been open since Pasadena streets were home to horses and buggies, and is full of fascinating one-of-a-kind gifts including stationery, pens, jewelry, games, clothing, greeting card and more! We'll visit Gold Bug, a one-of-a-kind boutique tucked into a lesser-traveled side street in Old Town Pasadena. This 21st century cabinet of curiosities brought to life by more than 100 contemporary artists appeals to visitors intrigued by curious creations and who appreciate the work of master craftsmen. Gold Bug invites visitors to fall into a truly unique gallery experience, presenting works by some of today's most interesting and emerging designers in a retail space with a museum atmosphere. The one-of-a-kind creations on display come and go daily as the store is in constant evolution. Kimberly Crest Mansion

& Included Tea Lunch

With Logan's Candies

Friday, December 9, 2022

We kick-off this popular holiday excursion at two charming destinations in Redlands, known as the "Jewel of the Inland Empire," attributed to its beautiful architecture, small town charm, and agriculture influenced by the early citrus farmers. We begin at the historic Kimberly Crest Mansion, the stately mansion that overlooks the San Bernardino Valley. Built in 1897, it was owned by J.A. Kimberly – one of the founding members of the Kimberly-Clark Paper Company. A docent-guided tour of the mansion's interior will showcase how a lavish, immaculately kept, French chateau-style home was decorated for Christmas during California's Victorian era. This afternoon, we'll enjoy an included tea lunch at Martha Green's The Eating Room, a locals' favorite known for their scratch-made comfort food. You'll enjoy traditional tea blends imported from Britain, along with delicious homemade breads and finger sandwiches accompanied by all the "proper treats" including petite fours, scones and other sweet delights served on a three-tiered rack. We top off the day with an included sweet treat at Logan's Candies, where the Logan's family has been making their signature candy canes "the same way since 1933." GENERAL INFORMATION

Reservations

To make reservations visit our website at www.goodtimestravel.com or contact our office at (714) 848-1255 – Monday through Friday, 9 a.m. – 4 p.m. Our office is closed on weekends and major holidays. A reservation secures your space(s) for 5 days to allow time for payment to reach our office. After 5 days, full payment (or deposit if applicable) is the only way to guarantee space (and motorcoach seating priority). Because reservations are considered confirmed when payment is received, reservations that remain unpaid after 5 days are subject to cancellation.

Payment

All payments may be made by cash, check, or credit card (American Express, Discover, Mastercard and Visa). Checks should be made payable to *Good Times Travel* and mailed to 17132 Magnolia St., Fountain Valley CA, 92708-3348. Please include an itemization of the tours/departure dates you are paying for. Credit card payments may be made in person or at www.goodtimestravel.com.

Balance Payments

The balance of payment on most multi-day tours is due 60-90 days prior departure. An invoice for balance payments with the balance due amount and balance due date will be mailed to you.

Travel Documents

Travel documents for multi-day tours will be in your possession approximately 14 days prior to departure, providing full payment has been received. Documents include an itinerary with hotel and flight (if applicable) details, and luggage tag.

Cancellations & Travel Protection

If *Good Times Travel* must reschedule a tour you will be notified by our office as soon as possible. *Good Times Travel* cannot assume responsibility for any additional costs/fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through *Good Times Travel*.

If you must cancel, notify our office in writing as soon as you know you must cancel. At that time we will assume that you and/or your party will not be present on the tour and we can therefore, no longer guarantee your space(s) on the tour, nor your seating priority.

We realize that illness and other reasons arise that may make it impossible for you to travel. For this reason, a travel protection policy (which includes cancellation insurance) through a third party is available and it's highly recommended that you purchase this at the same time you make your initial tour payment. Those who have purchased travel protection and must cancel for a covered reason, will be reimbursed by the travel protection company the balance of any non-refunded funds (minus the travel protection premium). Visit our website or ask for a travel protection brochure for details.

Regardless of the reason, cancellations, credits, and transfers of confirmed bookings result in a costly process of e-mails, letters, phone calls, adjustments, refunds, and penalties/fees assessed by our travel suppliers. Therefore, the below cancellation policies and fees are in place. Note that the below fees are per person and apply if you choose NOT to purchase travel protection or if you cancel for a non-covered reason.

Single-Day Tour Cancellations

-If you cancel **30 or more days prior to the departure date**, you may receive a credit minus a \$10 p.p. administrative fee* or a refund minus a \$25 p.p. administrative fee.*

-If you cancel **within 30 days of departure**, you may receive a credit (minus \$10 p.p.*) or a refund (minus \$25 p.p.*) ONLY if your space can be resold from a waitlist.

*In addition to the administrative fee, all non-recoverable or non-transferable fees made to our suppliers on your behalf (for tickets, etc.) will be retained.

-Refund provisions vary from tour to tour and there are exceptions to the above policy and some tours (including those tours involving theatre tickets or high-security access) may have different or additional restrictions.

-Please allow 4 weeks after the tour has departed to receive a single-day tour refund.

Multi-Day Tour Cancellations

-If you cancel **prior to our established balance payment deadline** (generally 60-90 days depending on the tour) you may receive a credit minus a \$25 p.p. administrative fee* or a refund minus a \$50 p.p. administrative fee*.

-If you cancel **after our established balance payment deadline** (generally 60-90 days depending on the tour) you may receive a credit (minus \$50 p.p.*) or a refund (minus \$100 p.p.*)

-If you cancel **within 30 days of departure**, you may receive a credit (minus \$100 p.p.*) or a refund (minus \$200 p.p.*) ONLY if your space can be resold from a waitlist.

*In addition to the administrative fee, all non-recoverable or non-transferable fees made to our suppliers on your behalf (for airfare, tickets, lodging, services, etc.) will be retained.

-Refund provisions vary from tour to tour and there are exceptions to the above policy and some tours (including international tours and national park tours) may have different or additional restrictions.

-Reservations made after our established balance payment deadline has passed must be paid in full at the time the reservation is made.

-Please allow 4-8 weeks after the tour has departed to receive a multi-day tour refund.

Additional Notes About Cancellations

-Credit does not expire and may be left on your account for future use or immediately transferred to another tour.

-No credits or refunds are available for failure to board the motorcoach on the day of departure – regardless of the reason.

-No credits or refunds are available for unused tours, admissions, transfers, or accommodations when voluntarily cancelled or omitted by the passenger, or for missed package features due to airline or other third-party-transportation providers' delays or for other acts beyond our control.

-All cancellation policies and fees for any tour within this catalog are in effect as of the publication date and supersede any other previously printed policies.

Cruise Cancellation Policy

Refer to the cruise company's documentation as each company's policy differs.

Revision Fees

A handling fee of \$25 per person may be charged for any alterations or revisions to multi-day tour bookings. Spelling corrections to clients' names after air tickets have been issued will be subject to airline revision fees.

Price Changes

Good Times Travel reserves the right to adjust prices at any time. Tour and cruise prices are based on costs, charges, tariffs, rates, prices, taxes, levies and exchange rates as of November, 2022. Should any of these prices change, *Good Times Travel* reserves the right to recover these from you.

Included in Package Price

See each specific package description for inclusions. Generally all tour prices include the services of a tour director for the duration of the tour, services of the driver, all sightseeing, land transportation, luggage handling of one piece of luggage, and the following if applicable and specified in the package description: hotel accommodations, roundtrip airport-hotel transfers (with the purchase of group airfare), local guides, meals, admissions, and tips for bellmen and meals included in the itinerary. Cruise Host services are dependent on the number of participants.

Not Included in Package Price

Airfare (if applicable and unless otherwise noted), air-related taxes and baggage fees, travel protection/cancellation insurance, home to airport transfers, meals not in the itinerary, tips for meals not in the itinerary, passport and visa fees, personal expenses, excess baggage handling, optional excursions, and tips to tour directors, local guides, motorcoach drivers and maid service. The price does not include any expenses if you leave the tour at your own volition, due to illness, or due to any event beyond our control. Further, should inclement weather and other conditions beyond our control prevent or delay departure of a scheduled airplane, ship, boat, train, or motorcoach and additional hotel nights or other expenses are incurred, all additional costs are solely your responsibility.

Accommodations

Prices are per person and double prices are based on two guests sharing a room with two beds. Triple/quadruple occupancy (when available) is based on three/four guests sharing existing bedding arrangements; rollaway beds are not necessarily included in triple/quadruple prices. Special room requests such as adjacent, connecting, view, near elevator, or lower-level must be made at time of deposit and are subject to additional charges and cannot be guaranteed. Hotels listed in the itineraries are intended to be used, however from time to time alternate similar hotels may be used.

Single Accommodations

A single supplement exists for single guests simply because the price of hotel/cruise rooms is paid solely by the single guest rather than being divided by two guests (as is the case for double occupancy). Since hotels and cruise ships limit the number of single rooms, singles should deposit early. Paying a single supplement does not imply two seats on the motorcoach.

Gratuities

Gratuities to the tour director, driver and step-on/local guides are considered customary and recognized in the industry as an appreciation for a job well done. *Good Times Travel* does not include these gratuities in your tour cost because we choose to allow each passenger to decide what the appropriate tip amount is and we feel it serves as motivation for your tour director and driver to exceed your expectations. All tips should be offered on a voluntary and individual basis only. Suggested tipping amounts per passenger/per day are \$5-\$8 for single-day tours and \$6-10 for multi-day tours.

Airport Transfers

Optional roundtrip airport transfers are available from most of our departure points for an additional \$89 per person. Home pick-ups are also available for an additional charge with the price dependent on the distance and if the transfer is exclusive vs. shared. Transfers are only available on the tour departure and return dates. Restrictions apply.

Real ID, Passports & Visas

Beginning May 3, 2023, every air traveler 18 years of age and older will need a REAL ID-compliant driver's license (marked with a star at the top of the card), state-issued enhanced driver's license, or a passport to fly within the United States. For all international tours and cruises, each traveler must have a valid passport and possibly a visa, if required. Expiration date of passports should be at least 6 months after the return date.

Luggage

Luggage handling of one piece of luggage (not exceeding 50 pounds) is included in the multi-day tour price. Airlines may also impose fees on luggage, which the passenger is responsible for. One piece of carry-on luggage and one personal item per person (both which you must carry and fit beneath your feet on the coach or in the overhead compartment) are allowed. For space reasons, wheeled luggage is not suitable as carry-on luggage on motorcoaches. A fee of \$10 per hotel will be collected if one multi-day bag is stored in the luggage bag. Insurance is recommended to cover possible damage to luggage.

Seating Assignments

On all tours, seating on the motorcoach is based on a priority system in which priority is given to the order that payment is received. All multi-day tours are subject to a daily seat rotation. Requests for seating (aboard motorcoaches, trains or airplanes) cannot be guaranteed and some requests cannot be accepted.

Health & Disability

Guests must notify us in advance of any physical or mental illness, disability or other conditions for which special accommodations are necessary. Also we must be notified of any medical treatment that may render the guest unfit for travel or constitute a risk or danger to the passenger or anyone else on board. Guests needing any form of assistance and those who are physically disabled must be accompanied by someone who will take full responsibility for any needed assistance during the tour and in the event of an emergency. *Good Times Travel* cannot provide special individual assistance to tour members with special needs for walking, dining or other routine activities. We reserve the right to refuse passage to anyone who, in our sole opinion, may affect the health, safety or enjoyment of other passengers. Guests requiring a wheelchair must provide their own collapsible wheelchair. Please be aware that some hotels, attractions and areas may have certain physical conditions that may limit the accessibility of wheelchair guests.

Tour Membership

Good Times Travel reserves the right to accept or reject any person as a guest and to expel from the tour (single-day or multi-day) anyone whose conduct is deemed incompatible with the interest of the tour group or tour director. We do not accept children under the age of 8 on any tour due to motorcoach travel laws. An adult must accompany all children under the age of 18. We do not accept any guests under the age of 21 for any casino tours.

COMMON QUESTIONS

Is there still space available on a tour?

Browse our website, which is always kept up-to-date, or contact our office to check tour availability. Because tours sell out quickly we recommend that you reserve and pay for your space as soon as you know you want to go.

How do I know I always have the most updated tour listing?

Our website at www.goodtimestravel.com always has the most up-to-date tour availability. There you can register for our E-mailer – E-mailer subscribers are the first to be notified of new tours as they become available.

How does the airfare pricing work?

We list the land price separate from the airfare price as some guests choose to use frequent flyer miles or make other arrangements to meet the group. If you wish to have *Good Times* handle the air ticketing, you should pay for the airfare as soon as possible to lock in the lowest rates as rates do increase.

Do you offer travel insurance/cancellation protection?

Yes and we highly recommend it. For all multi-day tours, we provide an optional travel insurance plan. Prices start at just \$32 p.p.

If I can't make a tour, can a friend go?

On most tours without air or train travel or high security, someone may go in your place to avoid cancellation fees. Notify our office of replacements.

What type of motorcoaches do you use?

The late-model, deluxe touring coaches that we use on our tours have large windows for best viewing, comfortable leather seats with seat belts, foot rests, electrical outlets, large monitors, a restroom and kneel for easy access.

Will I receive tickets and seat assignments before the departure date?

Other than a payment receipt or travel documents related to your multi-day tour, our office will not send tickets. These will be provided to you by your tour director on the motorcoach. Seat assignments are provided by your tour director on the first day of the tour. Seating priority is based on the order in which payment is received – unpaid reservations do not guarantee seat assignments. In fairness to all, seating requests for front of the coach are not accepted and any type of seating request is never guaranteed.

What is the pacing or physical demands on your tours?

Tour pacing and physical demands (walking, stairs, etc.) vary by each tour, however every tour involves some level of walking and entering/exiting the motorcoach. We do our best to provide the most information we can in the tour description or itinerary. More information is available on our website.

Should I tip the driver, tour director and step-on-guide?

Gratuities are customary and recognized in the industry as an appreciation for a job well done. We do not include these gratuities so that each passenger can tip the tour director and driver at their discretion. Suggested amounts per passenger/per day – Single-Day: \$3-\$5 – Multi-Day: \$4-\$7

What if I have a group of people that would like to go on a tour?

We can customize and operate tours for any size group. We can also block space on any of our existing tours so there is no required minimum group size. If you have a group, contact our office so we can inform you of the benefits of traveling with us and the benefits to the group leader.

Can you help me plan my cruise vacation?

Yes, our cruise experts can assist you with any cruise. Contact us for the best rates and service when planning your next cruise – any destination, any cruise line, any number of people.
