Day 2 – 17-Mile Drive, Carmel

Following an included breakfast, we'll join a local guide for a comprehensive area tour. Wrapped by the Pacific Ocean on three sides, the Monterey Peninsula is often described as "the greatest meeting of land and sea." On this in-depth driving tour, we'll travel through historic **Old Monterey, Cannery Row, Pacific Grove** and along the famed **17-Mile Drive**. One of the most picturesque drives in the world, 17-Mile Drive is an enchanting journey full of dramatic coastal cliffs, snow-white beaches and mystical forests. Along the way, we'll encounter such spectacular sights as **The Lone Cypress, Bird Rock**, celebrity homes and the world-renowned **Pebble Beach Golf Links**. Enjoy time at leisure for lunch on your own and browsing in the quaint seaside town of **Carmel-by-the-Sea**. This town that deftly straddles the balance point of rich history and new wealth, features great restaurants, boutiques and galleries. We return to the hotel with the balance of the afternoon and evening at leisure. (Breakfast)

Day 3 – Big Sur Scenic Highway

Following an included breakfast, we'll begin our journey by motorcoach on one of the greatest stretches of coastline on Earth! This iconic stretch of the Pacific Coast Highway between Monterey and Cambria, known as the **Big Sur Scenic Highway**, has been described as "the face of Earth as the Creator intended it to look." As we travel south along Highway 1 – with the imposing Santa Lucia Mountains on one side and the sea-sprayed, rocky Pacific Ocean on the other – around every curve is another spectacular view of a craggy canyon, unspoiled shoreline, crashing surf and picturesque lighthouse. It's a journey that will surely take your breath away. We'll travel over the famed **Bixby Bridge** and take in views of Point Sur Lighthouse before we arrive in **Big Sur**. At **Pfeiffer Big Sur State Park** we'll enjoy time at leisure for an included picnic lunch and leisurely stroll beneath the **giant redwoods**. This beautiful park also features conifers, oaks, sycamores, cottonwoods, maples, alders and willows – along with open meadows and abundant wildlife! This afternoon we continue south past Ragged Point to the quaint seaside village of **Cambria** – the artists' colony nestled in a forest of towering Monterey Pines along a craggy stretch of the California Central Coast. We'll enjoy a two-night stay at a charming inn featuring boutique rooms with cozy fireplaces and a heated pool and spa. The inn features an oceanfront setting on Cambria's **Moonstone Beach**, a spectacular stretch of rugged coastline which offers an extraordinary array of tide pools, walkable bluff-top boardwalk and a spectacular vantage point for memorable sunsets. Enjoy dinner on your own this evening at a variety of restaurants in Cambria's charming East Village. (Breakfast, Lunch)

Day 4 – Piedras Blancas Light Station, Cambria

After an included breakfast we'll travel north to **Piedras Blancas Light Station**, located on a rugged windswept point of land just north of San Simeon. A guided tour of this historic light station will provide a glimpse into an earlier time and a brief escape from the modern world. The lighthouse was first illuminated as an aid to navigation in 1875 and it still casts a beam of light to guide mariners along the rocky California coast. We'll continue south to the **elephant seal rookery at Piedras Blancas**, one of only a few spots in the world where northern elephant seals can be seen in vast numbers. Although elephant seals spend most of their lives in the open ocean, they arrive at this rookery to give birth, breed, molt and rest after long ocean migrations in search of food. At **William Randolph Hearst State Beach** we'll take a leisurely stroll on the historic pier in this protected cove. Enjoy the afternoon at leisure to explore Cambria's Village, relax at the inn or take a walk along the Moonstone Beach boardwalk. This evening we'll enjoy an included dinner with choice of entrée at **Linn's Restaurant**, the Cambria icon and locals' favorite that's known for its contemporary comfort food classics like chicken pot pie. But be sure to save room for what they're most famous for – warm olallieberry pie with a scoop of vanilla ice cream on top! (Breakfast, Dinner)

Day 5 – Point San Luis Lighthouse, Journey Home

After an included breakfast, we'll begin our journey south. In **Avila Beach** we'll enjoy the breathtaking ocean views as we travel along Lighthouse Road to **Point San Luis Lighthouse**. Known as the "Jewel of the Central Coast," this historic light station built in 1890 enjoys dramatic views stretching from Avila Beach south to Vandenberg Air Force Base. Learn what life was like for the Lighthouse Keeper and his family as we tour the grounds, the beautifully restored lighthouse, the horn house, and see the lustrous original Fresnel lens. We'll then enjoy an included lunch at this restored sentinel of the sea. This afternoon we continue south to our drop-off points, arriving this evening with many fond memories of our time along California's beautiful Central Coast. (Breakfast, Lunch)
