ITINERARY

Renowned for its great granite domes, sheer cliffs and giant trees, in the spring Yosemite National Park also welcomes thundering waterfalls! We'll explore the magnificent Yosemite Valley with a local guide to truly appreciate the natural wonders and picturesque historic buildings that make up this true national treasure. This three-day getaway offers a truly wonderful combination of spectacular scenery and rustic elegance as we enjoy a two-night stay at the secluded, AAA Four Diamond Tenaya Lodge at Yosemite.

DAY 1 – WELCOME TO THE TENAYA LODGE AT YOSEMITE!

From our departure points this morning we'll travel by deluxe motorcoach into California's fertile **Central Valley**. Following a morning rest stop and a stop for lunch on your own, we'll begin our journey from the Central Valley into the foothills of the **Sierra Nevada**. Here, two miles from the south entrance of Yosemite National Park, situated on 35 secluded acres amongst a noble evergreen forest at 5,300 feet in elevation, is the **Tenaya Lodge at Yosemite**. We'll enjoy a two-night stay at this elegant, AAA Four Diamond, mountain retreat that offers an experience that is classic, yet perfectly modern. This full-service resort features an expansive lobby with a roaring fire, indoor pool and spa and a full-service restaurant offering a wide range of cuisine. Enjoy the balance of the evening at leisure with dinner on your own.

DAY 2 – YOSEMITE NATIONAL PARK

Following an included breakfast at the Lodge, a local guide will join us onboard the motorcoach as we travel into **Yosemite National Park**, home to a grand collection of picturesque waterfalls, peaceful meadows and historic structures amongst a pine forest and unique, glacier-shaped cliffs and rock faces. At **Tunnel View** we'll get our first view of the spectacular Yosemite Valley including one of the west's most photographed landmarks, **Half Dome**. Opposite Half Dome, towering 3,593 feet above the Yosemite Valley floor, **El Capitan** is the undisputed king of the granite monoliths – in fact it's earth's largest single piece of granite! We continue to our destination: **Yosemite Valley**, the prized jewel of Yosemite National Park. This eight-mile long, geologic marvel is a 4,000-foot deep trough lined by towering cliffs and glacially sculpted, polished rock. Although glacially carved valleys with similar features exist elsewhere in the world, none can compete with what legendary naturalist John Muir called the "Incomparable Valley." At **Sentinel Bridge** we'll take in the breathtaking view of Half Dome and its mirrored reflection in the Merced River. We'll see a number of picturesque historic buildings, none more famous or spectacular than the **Ahwahnee Hotel**, an architectural gem combining grandness and intimacy. We continue to **Yosemite Lodge** with time at leisure for lunch on your own. This afternoon join your local guide on a leisurely walk to the base of thunderous **Yosemite Falls**. Tumbling down an enormous rock face, Yosemite Falls is impressive not so much in water volume but the sheer height from which it falls. Split into three sections, the cascade plunges 2,425 feet and is the highest waterfall in North America and fifth highest on the planet! Our guided walk continues to **Yosemite Village** where you'll find the **Ansel Adams Gallery** of photographic art, The Village Store and a variety of historic buildings. Back onboard the motorcoach, we'll return to the **Tenaya Lodge at Yosemite** in the late afternoon with the balance of the evening at your leisure to take advantage of the swimming pool and spa, restaurant and spacious lobby. (Breakfast)

DAY 3 – FRESNO, JOURNEY HOME

After an included breakfast at the Lodge, we'll travel the short distance to the **Yosemite Mountain Sugar Pine Railroad** for a memorable ride through the Sierra Nevada Forest's majestic tall trees. This historic, three-foot narrow gauge steam train with open cars allows for stunning views and a trip back in time as you are transported on the same route that logging trains used to travel through the Sierra Nevada. We'll continue south by motorcoach to Fresno, located in the heart of the San Joaquin Valley. Here, we'll enjoy an included, traditional **Basque meal** at a locals' favorite. This family-style lunch includes fresh bread, homemade soup, a variety of sides, fried chicken, charbroiled lamp chops, ice cream and house wine and is a memorable finale to a spectacular journey. This afternoon we continue south toward Southern California making a rest stop later this afternoon. We return to our drop-off points this evening with incredible memories of our "Spring Fling" in Yosemite. (Breakfast, Lunch)
